

DIRECT DEPOSIT ALLOCATIONS INSTRUCTIONS

IMPORTANT: This form does not change any instructions with your payroll department. If you need to increase or decrease your direct deposit coming to the Credit Union, please contact your payroll department.

Direct Deposit Allocations are transfers from the primary account where your direct deposit posts to other accounts or loans you have with the Credit Union. Your allocation requests tell us how to distribute funds to other accounts like savings, checking, or club accounts. You can also have funds directed to your loans or visa.

To set up allocations you must first have your payroll direct deposited with the credit union. Allocations must be equal to or less than the direct deposit amount being received. Once your deposits are being received by the credit union, complete the form below and fax to the credit union at 225-927-1960 or mail to: Eagle LA Federal Credit Union, Attn: Accounting, PO Box 64630, Baton Rouge LA 70896. Allocations must be equal to or less than the direct deposit amount being received. Your allocations will be entered when received and should begin within two weeks.

To change an existing allocation, complete the form below and fax to the credit union at 225-927-1960 or mail to: Eagle LA Federal Credit Union, Attn: Accounting, PO Box 64630, Baton Rouge LA 70896. Your allocations will be entered when received and should begin within two weeks.

NOTE: Allocations are tied directly to your payroll deposit. If you change jobs, or your company changes names it could affect your allocations. It is your responsibility to ensure that all of your loan payments are made timely.

If you should have any questions please feel free to contact the credit union at 225-927-1900 or 888-281-8485.
