

## The Shared Branching Network

Eagle Federal is proud to be a part of the Shared Branching network.

This means that you have over 5000 branches at your fingertips nationwide with over 170 right here in Louisiana.

That's right! You can go to any credit union that is a member of the Shared Branching network and conduct basic teller transactions just like you were at Eagle Federal.

All you need is your member number and social security number and you can make a deposit, withdraw money, make a loan payment and more.
