

## How to login to online banking for the first time

To enroll in online banking go to eaglefederal.org. From the online banking sign-in box, click on Enroll in online banking.

A screenshot of the online banking sign-in interface. It features a dark blue background. At the top, the text "Online Banking User ID:" is displayed in white. Below this is a white rectangular input field. At the bottom left, there is a blue button with the text "Log In" in white. At the bottom right, there is a yellow button with the text "Enroll in Online Banking" in black.

You will get notification that you are leaving our website.

eaglefederal.org says

We are glad to offer you this additional service via our website. Please note that you are now leaving Eagle LA Federal Credit Union's website and are going to a website that is not operated by the credit union. We are proud to provide you with a safe and private place to manage your financial business on our website. The privacy and security policies of the linked site may differ from those practiced by the credit union, be sure to check the policies and disclosures of the linked site.

On this screen enter your information.

A screenshot of the "New user enrollment" form on the Eagle Federal Credit Union website. The form is white with a red and blue border. It contains four input fields: "Social Security number", "Account number", "Email", and "Phone". Below the "Social Security number" field, there is a small note: "EIN and ITIN are also accepted". At the bottom of the form, there is a red button with the text "Next".

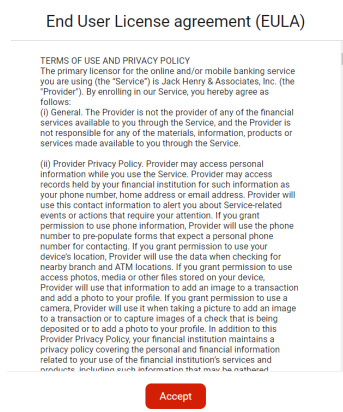

You will be asked how you want to receive your verification code. Text message, automated phone call or use the Authenticator app.

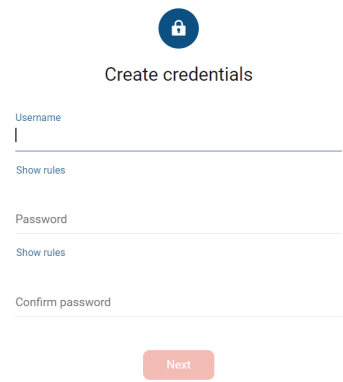

Enter the code you receive in the blank.

Accept the End User License Agreement.

Create your User Name and password. Click on [Show rules](#) to determine the criteria for each, then click Next. You should now be logged into your online banking.
